Such accountability procedures are open to community understanding through collaborative and participative processes.

Reminder Notices

An Account Rendered – Reminder Notice is forwarded for accounts that are unpaid after the due date. Should accounts continue to remain outstanding, the Finance Administrator will make contact to discuss the outstanding fees. A final notice will then be sent giving a further two (2) weeks to pay. Our normal procedure is to apportion the payment made against all fees and levies (including Capital Levy) shown on the original account.

Payment Difficulties

Sometimes, for very good reasons that are usually out of our control, an account cannot be paid by the due date. If you are experiencing difficulties in paying your account, please contact the College as soon as possible, preferably before the due date. We will then be in a position to offer some assistance such as of extending the time to pay or offering a payment by instalment option. In cases of extreme financial hardship, the College will consider granting a fee concession.

Concessions

In cases of financial hardship the College will consider offering a concession on the Tuition Fee and Capital Levy. Concessions applications are accepted at the commencement of each year or when the hardship within the family occurs and are means tested in line with Federal Government Poverty Guidelines. The assessment process takes all income into consideration including, Wages, Youth Allowance, all other Centrelink payments etc, as well as rental or mortgage costs. All families on concession will be required to pay by Direct Debit and or Centrelink Centrepay payment system. Concessions on fees are not ongoing and applications must be resubmitted at the commencement of the new school year. A letter will be issued to existing concession families at the end of each year, requesting a new form be completed and documentation to be supplied by collection day of the following year.

Overdue Accounts

It is easy to overlook an account in the rush of everyday life and for this reason we send an Account Rendered – Reminder Notice for unpaid accounts after the due date. If you are experiencing difficulty in paying your account, please contact the College as soon as possible. We will then be in a position to assist you.

On rare occasions people fail to pay their account, do not respond to reminder notices and do not contact the College to make alternate arrangements. In these instances the College is reluctantly forced to consider engaging the services of a professional debt collection agency.

Please be aware that additional charges will be incurred once the account has been handed to the debt collection agency for action. Once accounts have been handed to the debt collection agency, the matter effectively passes out of the College's control and all negotiations for payment must then be made with the debt collectors. Your credit rating may also be affected.
